--- 1/11th Pound -"Series of 1942" - Type I "Coat-of-Arms" - with 4¢ - EXCISE / TAX - 152 x 15 mm. ---

The first listed *dated* copy of **RP-1733** (the *imperforate* "Series of 1942" 4¢ - EXCISE / TAX surcharged 1/11th pound strip) comes from "Tuckett Tobacco", Hamilton, in December 1943. It appears that in general the *imperforate* was used by "Tuckett Tobacco" and by "Royal Canadian Tobacco", while the smaller manufacturers used the approximately 1,500,000 *fine roulette* strips. The sheets had been consecutively control numbered, prior to being separated according to the company order.

---

In mid-1947 as a result of legislation enacted after the Budget, the mandated printing of the excise tax on tobacco stamps was discontinued. The "Series of 1942" thus began to appear ***without the surcharge***. Examples of tax bearing stamps and strips used after the fact can be found. This is not significant since the excise tax remained in force, and only the printing of the same on the strip was discontinued.

The control number sequence that terminated the preceding surcharged **RP-1733** continues on the following copies of the unsurcharged **RP-1773**. As mentioned previously, the strips were denomination printed and control-numbered prior to being surcharged and separated. Thus the control sequence simply continues on from the *surcharged* into unsurcharged, and from *fine roulette* to imperforate strips.

--- Note: ***this apparently was the end of the control sequence on the 1/11th pound "Series of 1942" strip*** **---**

The control numbers on the 1/11th pound strip have run through the introductory and lettered alphabetic sequences from **0000001** to **R9999999** (omitting the sequences **I** and **O**) and have continued to **E3175382** - so at this point the 1/11th pound total is 223,175,382 strips. It ***does not seem*** that the 1/11th pound strip used any ***eight digit*** control numbers - at least I have not seen any!

Lee Brandom lists the 1/11th pound Type II "Coat-of-Arms" strip with ***solid red*** denominations. The collection ***does not*** contain, and I have not seen a copy of this strip - **WANTED!**
